Public Input- None

Old Business- Chairman Peters reported that the town's ditch mower has been sold to the Town of Molitor for \$2500. Chairman Peters also reported that Gerald Matyka has purchased several old used culverts from the town for \$575.

Road Updates- Graderman Kurt Bube reported that all culverts the town planned on replacing have been installed. A private culvert along Wellington Lake Drive belonging to Brian and Jenny Lennartz needed to be replaced, as it is causing some flooding over the roadway during the spring. Chairman Peters is going to talk to Brian and Jenny about this. The Town is encouraging Brian and Jenny to have this culvert replaced. The Town would consider helping them bury a new culvert when they do some ditching along that road. Graderman Kurt Bube will also look into some other issues that appear to be developing along River Road.

Other Business- There was some discussion regarding the service contract for the grader. There are questions concerning when the current service contract expires and whether the Town has received all the services noted in the original agreement. The warranty on the grader expires in December 2025. Chairman Peters is going to contact McCoy and discuss the situation with them.

A motion was made by Supervisor Fuchs and seconded by Supervisor Wudi to adjourn the meeting at 7:43pm. The next meeting will be held on Wednesday, September 10, 2025, at 7:00pm. Motion carried. Meeting adjourned.

Mike Wudi, Town Supervisor
